Guide: Mr. Sunit Jha

June 2019-July 2020

Team Size - 3

PROJECTS

Bakery Management System

Guide:
Ms. Manali Brahmbhatt

It is a web application and a platform for the baker and the vendor to interact directly without the help of middleman(distributor). Instead of placing the order manually through a phone or email, the vendor will directly be able to place the order.
The customer can place the order online to the vendor and can also get additional features like premium membership and cake customization.

June 2019-July 2020

Team Size - 3
